

**Addendum to the Signature Page to the ATK Launch Systems Inc., Promontory Facility
Hazardous Waste Storage Permit**

As of July 21, 2016, the Signature Page to the Part B, Hazardous Waste Storage Permit, issued to the ATK Launch Systems Inc. Promontory Facility on September 30, 2008, is revised to reflect a change in ownership. This Addendum is created in accordance with a Permit Modification submitted to the Division of Waste Management and Radiation Control on July 5, 2016; Division tracking number DSHW-2016-011165.

This Permit is transferred to Orbital ATK, Inc. as the facility owner and ATK Launch Systems Inc. as the facility operator.

The Permit issue date of September 30, 2008 does not change due to the transfer of ownership.
